

The Atlantic GOLD & SILVER CENTRE

Background:

Broadside Bullion Inc. is a bullion and crypto-currency broker with annual sales in excess of \$7M. We have 2 retail stores in the Maritimes, and an ecommerce web site. The recent introduction of crypto-currencies has caused our business to grow rapidly.

Opportunity:

This is a rare opportunity to start work in the new growth field of crypto-currency investments ! We are traditionally a gold & silver dealer, but branched out into Bitcoin in June 2017. This side of the business has exploded, and we are looking for smart, motivated individuals with good mathematical skills who are interested in working in this exciting area ! We need 1-2 additional FULL-TIME employees to work in our Bedford, NS and Riverview, NB office. Start date will be mid January 2018. Complete training will be provided.

Duties include (but are not limited to):

- Giving advice to customers on precious metals and crypto-currencies
- Booking orders in store and by telephone
- Taking payment for orders
- Valuing scrap jewelry and silverware (full training provided)
- Updating sales systems with accurate & timely information
- Acting as a liaison with main branch in Moncton
- Following necessary security, risk management and inventory protocols

Necessary skills:

- Trustworthiness
- Accurate with numbers and handling cash
- Competent with spreadsheets and computers.
- Accurate with an eye for detail
- Personable with customers

Qualifications & Experience:

Candidates should ideally have some experience in retail sales, or possibly finance, banking, or book-keeping. A university degree or equivalent is preferable, but not essential for the right candidate. A good understanding of the reasons for investing in bullion and crypto-currencies is important, and any

experience investing in this area will be highly beneficial. Preference will also be given to applicants who show strong analytical and sound computing skills.

Hours:

Position will be 5 days per week out of...

- Mon-Fri: 10am - 5pm
- Sat: 10am – 1pm

Pay:

Starting at \$16.50/hour & rising on advancement & successful completion of probationary period.

Personal performance bonus of 4% and profit related bonuses of upto 10% are also available.
